Dear Parent/carer

## RE: Thorpe Park Reward trip

We are writing to congratulate your son/daughter who has achieved the success criteria to be eligible to attend the Thorpe Park Reward Trip. This means that he/she has:

- maintained above 98%/96% attendance since January 2018
- gained enough rewards for <<his>> Bronze Reward Certificate
- received few (indeed, if any) Behaviour Points.

### **This is a fantastic achievement and something that we would like to celebrate!**

To recognise this effort, on Friday 20<sup>st</sup> July your child is invited to participate in our rewards trip to Thorpe Park. He/she should arrive at the Academy no later than 7.30am. We will leave at 7.45am promptly as this will allow us to enter the park at opening time. We will return to Oak Academy at approx. 6pm, traffic permitting. Depending on level of attendance the trip is either being offered free of charge or at a cost of £10. Personal letters have been sent instructing which options has been offered.

We would like to take this opportunity to congratulate not only your child but also thank you as parent/carer for helping them to achieve this level of attendance and focus in class. We really do value your support of our Home/Academy partnership. By working towards our vision of 'Attend Today. Achieve Tomorrow'. Your child is giving himself/herself the best possible chance of success during his/her time at Oak Academy.

Please find attached a suggested list of items that your child should bring with him/her on the 20<sup>th</sup> July when attending the visit. Please read this carefully. There is also a medical questionnaire which must be returned with the permission slip to Miss Churchill in the ISC reception no later than **Mon 2<sup>nd</sup> July. Without these documents they will be unable to attend.** Students who receive free school meals will have a packed lunch supplied.

Finally, please do not hesitate to contact the Academy if you need further information.

Yours sincerely,

Mr R Burgas  
Principal

Mrs E Biles  
Vice Principal.
