

Safeguarding/E-Safety

Dear Parent/Carer,

I am contacting you as part of Oak Academy's on-going commitment to keeping our young people safe on-line.

We have been made aware of an online anonymous chat room called Anti-Land which students in the area have accessed via their mobile phone or computer at home.

As I am sure many of you are aware, the risks of children accessing chat rooms are very high as they can be exposed to adult content and images. The website stipulates that users must be a minimum of 18 years old and an email address is required to set up the account.

The NSPCC are particularly concerned about children staying safe online and I am attaching a link to the net aware website where you can find more information and tips to keep your son/daughter as safe as possible on-line via different applications.
