

Dear Parent / Carer

Re: Easter Revision

We are writing to inform you about our Easter Revision Programme for Year 11 students. With the first GCSE exams now only 6 weeks away, revision and exam preparation are at the forefront of all our minds.

Your son or daughter has now successfully completed their Pre-Public Examinations and will receive their results on Monday 1st April. Teachers are currently assessing these papers and analysing the results to formulate a plan for the remaining weeks. With Easter just around the corner, it is critical that students have a clear revision plan to ensure there are 'No wasted weeks' at this time.

This year, we are offering a range of opportunities to give students the chance to receive revision sessions from subject experts. This is in addition to the extensive intervention and revision programme that is already running daily at the Academy. On any of the days below students are not expected to wear the Academy Uniform and refreshments will be provided.

In addition to our own programme Southern Universities Network are also offering an opportunity for students to attend an English and Maths revision day at Bournemouth University. Students must apply for this and a flyer has been included below. This is for learners currently working at grade 3 or 4, aiming for 5, as detailed below. This day will be a fantastic opportunity for students to engage with learning in a different environment and engage with the University experience more broadly. We will help students with their applications during break and lunch times in our Nynex suite if they would like to attend.

We hope you can see the huge benefit of the revision programme and will support the Academy in ensuring your son/daughter attends, wherever possible.

Yours Faithfully

The flyer features a background image of a young man in a blue shirt looking at his phone. Text on the flyer includes: 'GCSE Maths & English REVISION DAYS', 'SUN DISCOVER YOUR FUTURE sunoutreach.com', 'Are you sitting GCSE MATHS OR ENGLISH* this summer? Working at a grade 3 or 4 but aiming for a 5? Want support with tricky areas of the exam papers?', 'Then join us for one of our revision days!', 'WHEN AND WHERE?', 'bit.ly/GCSErevise2019', and 'These events are FREE and include lunch from Dominos Pizza'.
