Dear Parents and Carers,

Re: Coronavirus Update for Schools

Although we are monitoring the coronavirus situation carefully, the challenge in schools is to balance the risk against causing undue alarm amongst children. As a school, we receive the latest advice and guidance directly from the relevant departments; we will therefore be guided by their emerging advice.

If the school is advised that the risk associated with this virus becomes greater, we will review our response and communicate with parents accordingly.

Parents are advised to view the latest government public information, which is available here:

In the meantime, it is very much business as usual and daily life continues at Oak – I am grateful for your support in maintaining positive student attendance.

Yours sincerely,

Richard Burgas  
Principal
