

24<sup>th</sup> September 2020**RE: Year 7 CAT Tests**

Dear Parents/Carers

At Oak Academy, in order to support teachers understand how students learn we routinely administer Cognitive Abilities Tests (CAT's) to all students in Year 7.

CAT's are made up of a series of short computer based tests, which assess a student's reasoning abilities in key areas, in order to support educational development and academic attainment. No preparation is necessary; it is important that your child does not become anxious, as no pre-learning of knowledge is needed to complete the tests. CAT's have many uses and can help your child and his/her teachers to plan appropriately and set targets for different Key Stages and for GCSE and A level.

The specific times and details of your child's tests are detailed below. Could we ask that you support us by ensuring your child is aware of this on the day they are due to complete theirs. Tutors will also share this with students.

Group	Date	Time	Room
7CAL	Monday 28/9/20	Lesson 1 - 4	IT1
7GRI	Monday 28/9/20	Lesson 1 - 4	IT2
7PEG	Tuesday 29/9/20	Lesson 1 - 4	IT2
7PHO	Tuesday 29/9/20	Lesson 1 - 4	IT2

Your child will need to wear headphones while they are taking the tests. This will allow them to hear all the instructions clearly and concentrate fully on the assessments. If your child has any at home, please can they bring them in on their given day.

If you have any queries or concerns, please contact me by email at the address below.

Yours faithfully

Ms K Price

Assistant Vice Principal – KS3
