Dear Parents/Carers

RE: Parental Consultation Evening

I am writing to inform you of a necessary change to our previously calendared Parental Consultation Evening on Thursday 22nd October. Due to changes in current restrictions, we are unable to hold parent's evenings in the previous format.

Like many other schools nationally, we have had to reflect on how to best inform you about your child's curriculum, whilst also enabling you to discuss your child's progress with their classroom teacher. I hope you found the information evening video useful in giving you an insight into the year ahead. Please do take time to watch the video if you haven't already, using the link below. We will continue to update you in this format throughout the year.

https://www.youtube.com/watch?v=7A-4b0RuCO4&feature=emb_title

I am sure that like us you are still keen to meet to discuss your child's progress.

Although we are unable to have parents on-site, we have invested in SchoolCloud, which will allow us to hold our consultation evening online, via video calls.

This can be done using a PC, tablet or mobile phone. Due to the set up and training required for our staff, there is a need to delay our Parental Consultation Evening until Thursday 5th November.

We will be in contact again shortly with details of this evening, including how you sign up to the evening and schedule appointments.

In the meantime, do not hesitate in contacting me should you have any questions.

Many thanks for your continued support of the Academy.

Yours sincerely,

Hayley Richley
