Dear Year 11 Parents/Carers

RE: Parental Consultation Evening

As you know, due to changes in current restrictions, we are unable to hold parent's evenings in the previous format. We have invested in SchoolCloud, which allows us to hold our consultation evening online, via video calls, using a PC, tablet or mobile phone.

We are writing to invite you to attend the Year 11 evening next week; Thursday 21st January, which will run between 3.30pm – 6.30pm.

We are acutely aware of the all the changes that have been announced in the past few weeks and the distress and concern this will have undoubtedly caused to both yourselves and the students. We would like to reassure you that we are doing everything in our power to keep you updated, as and when we receive guidance, and will continue to work with students to build up a portfolio of assessed work and skills.

This Parent Consultation Evening will be to discuss student progress and look at areas where we can work together to consolidate content and skills understanding in all subjects. There will also be an opportunity to discuss Post 16 - destinations processes, with Mrs Speed (Careers Advisor) being available. Should you wish to make an appointment with her, please email kspeed@leaf.bournemouth.sch.uk

Information on how to book appointments can be found on our website, using the link below and the online booking system is now open:

In the meantime, do not hesitate in contacting Mrs Cummings (Head of Year 11) should you have any questions.

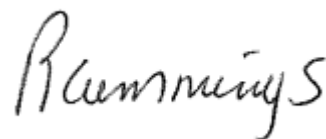

Many thanks for your continued support of the Academy.

Yours sincerely,
