Dear Parent/Carer,

**Re: Year 7 Transition 2021**

Following the government's decision last week to keep in place current restrictions, we have sadly had to change our planned Parents' Transition Evening to a virtual one and cancel the two planned onsite Transition Days at the end of this month.

Please be reassured that you and your child will receive all the necessary information and resources needed for a successful start with us here at Oak Academy in September.

Details will be sent out shortly with regard to the Virtual Parents' Transition Evening, including information on how to order our Oak uniform.

I am currently finalising a bumper transition booklet for your son/daughter that will help support them with their transition to secondary school. Please look out for details on our website:

Copies will be sent to all students before we break for the summer.

Thank you to those that have completed the Admissions Data Collection Form via our website, if you have yet to complete you will find our Admissions Data form by clicking on this link:
