Dear Year 10 Parents/Carers

**RE: Parental Consultation Evening** Year 10 – November 11th 3.30-6.30pm

We are writing to invite you to attend the Year 10 evening next week; Thursday 11<sup>th</sup> November. It is an opportunity for parent/carers to speak with their child's teachers to discuss what is going well and raise any questions that they may have with regard to this crucial year in their education. Parents evening will run between 3.30pm – 6.30pm.

This evening will be an online event – a reminder that we use School Cloud as a platform where appointments take place virtually. These can be set up from any mobile device but work best on a PC, laptop or tablet.

Full details of how to use School Cloud, including a tutorial video, can be found on our website here.

We would encourage all parent/carers to make an appointment to speak with their child's teachers so that working together, learning and well-being remain at the heart of what we do. Parents register and make appointments online, using the link below.
