Dear Parent/Carer

RE: Year 11 PPE Catch Up

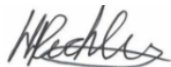

As you are aware Year 11 students are currently sitting their first round of PPE assessments. Although as we know the expectation still is that GCSE exams *will* go ahead this year, it is also important that contingency arrangements are in place. With this in mind it is critical that your child sits all of their PPE's in case this is required as evidence at a later stage.

You will be aware that your child has missed at least one PPE assessment. We will be running catch up assessments starting this Friday. These will take place on the dates indicated below. A full list of who is involved in each assessment has been published in our school canteen. Your child has been directed to add dates to their planners and is responsible for ensuring they attend this assessment.

	Start Time 8.40	Start Time 11.30

Monday 29th Nov	Maths Paper 1	Chemistry
Tuesday 30th Nov	English Language	Physics Biology
