Dear Parents/Carers,

RE: Year 10 First XI Football – Match Report!

I am delighted to share that our Year 10 boys walked out onto the pitch for our first fixture since lockdown measures were introduced nearly 2 years ago.

Nothing can describe the pride and excitement we felt as the whistle blew, and the game started.

The match against Lytchett Minster School was the first of a whole calendar of fixtures we have in place, and I'd like to recognise each with a "match report" to celebrate our achievements and the sportsmanship of our players.

I'm looking forward to this being the first of many!

Yours sincerely,

Richard Burgas
Principal

Year 10 First XI Football against Lytchett Minster School

"Oak Academy started the game apprehensively on the crisp afternoon; however players grew in confidence as the game proceeded.

Jack C quickly became a crowd pleaser by putting in some great saves against some very highly talented strikers. This made Jack grow in confidence which was a pleasure to witness.

Michael & Harrison displayed a very mature game, despite playing a year group up - both tracking players and putting in brave strong challenges whilst showing respect to all athletes on the field.

Ryat showed high levels of resilience throughout the game and played his heart out and came close to multiple goal scoring opportunities."
