Dear Parents and Carers

RE: COVID Update

Following the update this week around 'living with COVID', from today there is new guidance around attending school when your child is unwell and/or has tested positive. The update is set out below.

- Children and young people who are **unwell and have a high temperature should stay at home** and avoid contact with other people. They can go back to school, college or childcare when they no longer have a high temperature, and they are well enough to attend
- Adults with a **positive COVID-19 test result should try to stay at home** and avoid contact with other people for 5 days, which is when they are most infectious. **For children and young people aged 18 and under, the advice will be 3 days**

Yours Sincerely,

Hayley Richley
Interim Principal
