Dear Parents/Carers

**RE: Final Exams Update**

I cannot believe that students final, written exams start on Monday. It is hard to believe where this year has gone. Students have worked hard completing coursework, practical and speaking exams over the last few weeks. Now is the time to take that final leap towards their future. I know some will be feeling anxious, but these feelings are very normal and once the first exam is over, I am sure they will feel a lot happier.

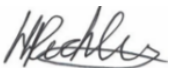

Your child would have brought home a study stay timetable with them this week. At the moment this is for next week only. The timetable can be found on the next page. You will see as part of this, to support students' wellbeing, there are times where we are happy for students to study from home. We will of course however ensure there is onsite provision for them if they wish to stay onsite. The timetable also includes revision sessions that will take place before exams to support students with final preparations. Morning revision sessions are available from 8am on the day of the exam.

This week I shared with students final arrangements for the exams. This presentation can be found at the following link [PowerPoint Presentation \(oak-academy.co.uk\)](https://www.oak-academy.co.uk)

In order to support students, **I have made the decision to allow them to go home at 12pm tomorrow if all their coursework is complete.** Students would normally have PE after lunch. They are still welcome to stay for this if they wish. They are also welcome to stay and study onsite.

Thank you for all your ongoing support of both your child and the school. We wish all Year 11 students the very best of luck in the next 6 weeks.

Yours Sincerely

Hayley Richley  
**Interim Principal**
