Dear Parent/Guardian

**Human Papillomavirus (HPV) Vaccine**

Your child is now due their second and final dose of HPV vaccine (or for girls, if over 15 when starting the course, her third and final dose) to complete the programme. Please see the date below when we will be delivering this in school.

**School:** Oak Academy  
**Date of Session:** Tuesday 07 June 2022

As per national policy, we will be using the consent form completed prior to their first dose. You will not need to complete a new consent form. However in order for your child to receive the second dose of the HPV vaccine, we ask that you complete the questionnaire that you will have been sent from [no-reply@inhealthcare.co.uk](mailto:no-reply@inhealthcare.co.uk) to inform us if: your child has changed schools since receiving their first dose; there have been any changes to your child's health since they received their first dose; or if your child has received their second dose elsewhere (i.e. GP surgery).

If your child received their first dose of the HPV vaccination outside Dorset or at a GP surgery, you will need to complete a consent form for them to be able to receive this vaccination in school. Please contact the School Age Immunisation Team on **01425 891162** or email [dhc.immsenquiries@nhs.net](mailto:dhc.immsenquiries@nhs.net)

If you have any queries, please contact the School Age Immunisation Team on **01425 891162** or email [dhc.immsenquiries@nhs.net](mailto:dhc.immsenquiries@nhs.net)
