

26<sup>th</sup> January 2023

Dear Parent / Carer

**Re: Year 11 Core Carousel Revision Day**

With PPE's about to start and the countdown to Year 11's final exams well under way I am excited to write to you to confirm the date of our upcoming **revision day on Thursday 16<sup>th</sup> February.**

The day will be a core carousel day led by TwentyTwentyLearning, a company who provide high-impact, results-driven revision programmes. They are a company we have used many times before and feedback from students has always been extremely positive.

On the day students will be split into groups based upon their current and target grades. Across the day students will access a revision workshop in English and Maths. Details of the day including the exact start time and session times will follow in a future correspondence.

We thank you for supporting the Academy in ensuring your child attends on this day. We are aware the day is in students half term break but with this being such a crucial time in the year we believe that having all students there would be of benefit. We are very lucky to have secured this revision day in two important core subjects, and while we open this for all students to attend, the focus must remain on learning only, therefore it is at our discretion that this opportunity maybe removed for students who are not engaging with the learning opportunities at present.

If there are any pre-booked plans that prevent your child from attending on this day, please do contact the academy to inform us of this.

Also, if you have any questions about this day or the year 11 schedule, please do not hesitate to email me at: [james.wacker@oak-academy.co.uk](mailto:james.wacker@oak-academy.co.uk)

Yours sincerely

James Wacker  
Assistant Vice Principal – Curriculum
