Dear Parent(s)/Carer(s),

In light of the recent earthquakes that have taken place in Turkey and Syria, we would like to appeal to our core value and community and extend our support to any of our families that have been affected. If you or your family have been affected by these events, please encourage your child to speak to a member of the safeguarding or inclusion team to see how we can help.

Particularly, if your family needs support with bereavement, mental health, or support due to these recent events, again, Oak is here to support. Thank you

Sayin Ebeveyn/Bakici,

Birkaç gün önce Türkiye ve Suriye'de meydana gelen depremlerden dolayi , okulumuzun temel değerlerinden olan community degerini vurgulamak icin size seslenmek ve depremden etkilenen tüm ailelerimize desteğimizi sunmak istiyoruz. Siz veya aileniz bu olaylardan etkilendiyseniz, yardımcı olabileceğimiz birsey olduğunda, lütfen çocuğunuzu safeguarding veya inclusion ekibinin bir üyesiyle konuşmaya teşvik edin.

Özellikle ailenizin bu son depremler nedeniyle desteğe ihtiyacı varsa, yine Oak olarak destek için buradayiz.
