

25th June 2023

Dear Parents and Carers

Re: Principal's Update, T6.3

This week saw the start of our End of Year exams and all students did themselves proud with both conduct and efforts made. Exams continue over the next two weeks and timetables can be found below.

This is one of my favourite times of the year, with students being given the opportunity for experiences outside of the classroom. This week was no exception with our Gypsy Roma workshops, Dorset School Games finals and Year 9's visit on Friday to Bournemouth University. We have another busy week coming up and I am looking forward to sharing details of all trips and visits in our end of year newsletter.

Inset Day

This Friday, 30th June, is our planned inset day, the academy is therefore closed to students. This is also our transition day and some students have volunteered to support us with our new Year 6 students. Thank you in advance to those students.

Celebrating our Core Values

All students continue to demonstrate our core values across all walks of academy life, and we are keen to celebrate this. Across this half term the students below are our top students across these core values.
