Dear Parent/Carer

**RE: GCSE AQA GCSE (9-1) History Revision Guides**

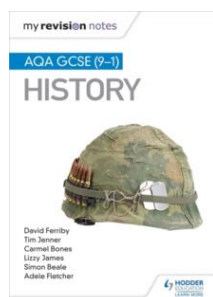

With the GCSE history course progressing at pace and with students developing revision techniques, we have reviewed the offering of revision guides for the new AQA GCSE History course and can offer the opportunity to purchase this revision guide published by Hodder Education. The second edition of the guide covers three of our four units: Elizabethan England c1568-1603, Germany 1890-1945 Democracy and Dictatorship and Conflict and Tension: The First World War 1894-1918. With the final unit Migration, Empires, and the People: c790 to the present day being covered in a separate revision guide.

We are offering the opportunity to purchase one or both revision guides to our KS4 History students to support their revision ahead of end of topic assessments and the summer examinations.

Both revision books give students the opportunity to track their progress. It identifies key points, terms, and revision points before giving students the opportunity to practice exam questions and test themselves.

The guides can be purchased through the school at a price of £12.06 for both revision guides, £4.69 for the Migration, Empires, and the People: c790 to the present-day revision guide or £7.37 for the Second Edition revision guides that covers three out of the four of the units we study.

If you would like to purchase any of the revision guides, please scan the QR code below and complete the form the link sends you to by **Monday 4<sup>th</sup> December 2023**. Revision guides can then be ordered for earliest delivery. Payment can be made through ParentPay.

Please don't hesitate to contact me if you have any questions about either of the revision guides available to purchase.

Yours faithfully,

**Mrs M Read**
