

Dear Parents and Carers,

RE: Year 8 Assessment Week 1

As mentioned in a previous correspondence, the way we complete, and report assessment has changed.

Next week Year 8 will complete their first assessment week. The dates for all Year 8 Assessments are below:

Year	Assessment Week 1	Subject	Report
8	15 th – 19 th Jan 2024	All subjects except English	7 th February 2024

Year	Assessment Week 2	Subject	Report
8	24 th June – 6 th July 2024	All subjects	17 th July 2024

Note: In English, students study a curriculum called Ark Mastery which follows a different assessment structure. Therefore, students in Year 8 and Year 9 will complete their English assessment the week beginning 4th December 2023. The results of this test will still be reported at the same time as the other subjects.

Rotation subjects, such as Performing Arts, Computing and Catering will take place at the end of rotations and are completed in classrooms. Students will complete all exams in the hall. The Timetable for next week:
