1. Statement of intent

- 1.1 Oak Academy is a mainstream secondary Academy for 11—16 year old students covering Key Stage 3 and 4.
- 1.2 The Oak Academy SEND Information Report for parents lets you understand how we support all students with Special Educational Needs and Disabilities and ensure that they have the chance to reach their full potential, to be included fully within all aspects of the Academy community and to make successful key transitions from Key Stage 2 through to Key Stage 3, 4 and 5.
- 1.3 The SEND Information Report for Parents is written in line with the Children’s and Families Bill September 2014 and the SEND Code of Practice 2015. The needs of students will be addressed irrespective of ability, physical fitness, social class or psychological condition.
- 1.4 Oak Academy will not label students nor use any organisational strategy which would disadvantage any particular group of students. Oak Academy is committed to working with Academy staff, students, parents and appropriate external agencies in the assessment and review of students. A SEND Register of all SEND students is maintained and reviewed regularly by the Special Educational Needs and Disabilities Coordinator (SENDCo).

2. Identifying Students

- 2.1 Students are identified as SEND, using the BCP Graduated Response document.
[Graduated response toolkit \(bcpcouncil.gov.uk\)](http://bcpcouncil.gov.uk)
- 2.2 Students identified as SEND are either:
 - SEND Support – Where students are identified as requiring support/interventions additional to high quality teaching and differentiation. These students will be identified on the SEND section of the Provision Map by a code of K and where appropriate strategies of support will be provided through a Student Information Profile.
 - Education, Health and Care Plans (EHCP) — The purpose of an ECHP is to put in place special educational provision to meet the Special Educational Needs of the student and secure the best possible outcomes for them across their education, health and social care and to prepare them for their next steps in education. The EHCP replaces the old ‘Statement of Special Educational Needs’ process.
- 2.3 The 4 Areas of Need:
 - Communication and Interaction
 - Cognition and Learning
 - Social, Emotional and Mental Health difficulties (SEMH)
 - Sensory and/or Physical Needs
- 2.4 Ways to identify difficulties
 - Transition work and meetings with Primary Schools
 - Consultation with staff, parents and students
 - Baselines assessments, Cognitive Abilities Tests (CATs), Reading and Spelling assessments
 - Liaison with Parents/Carers

- Teacher assessments

3. SEND Register

- 3.1 A SEND register is held and updated, giving an overview of SEND students by cohort and area of need, as identified in the Code of Practice 2015. Oak Academy follow the guidelines, as set out in the BCP Councils Graduated Response Document, when reviewing student SEND status’.

4. Provision Map

- 4.1 In addition to the SEND Register, all student interventions within the Academy are on Provision Map which is regularly updated. The Provision Map tracks interventions in place, this includes:
- Student Information Profiles
 - SEND Provision
 - SEND Intervention
 - Exam Access Arrangements
 - Outside Agency involvement/referrals
- 4.2 The Provision Map is used to track interventions by the wider Inclusion team, as well as the SEND department.

5. Assess – Plan – Do – Review

- 5.1 **Assess** - If the previously mentioned ways to identify difficulties suggest that the learner is not making expected progress despite high quality teaching, the class teacher will consult with the SENDCo and discuss any concerns they may have. Parents may also wish to consult the SENDCO to discuss or share any concerns. The SENDCo will then gather information from baseline assessments, CATs, SATs, parents teachers and the student themselves as well as previous agency involvement and BCP SEND criteria to ascertain the level of need presented by the child.
- 5.2 **Plan** - Oak Academy Staff, the student and parents will work together to agree interventions and support to be put into place.
- 5.3 **Do** - Oak Academy implement plans based on discussions. Class teachers remain responsible for working with the student and assessing impact of plans. In some cases, students make take part in short term and specific interventions to support progress and learning.
- 5.4 **Review** - Interventions will be reviewed regularly by teacher/tutor/Head of Year/Curriculum Area Leader/Vice Principal Inclusion/SENDCo. Student Information Profile will be reviewed. Evidence of progress will come from termly assessments which feed into Sims Progress Tracker. If, despite significant intervention at SEND Support level, and if the Academy has evidence that a student is making insufficient progress, we may seek further advice and support from outside professionals. Students and parents/carers will be fully involved and kept informed about the involvement of external agencies and proposed interventions.
